Mastul School Programs

Education is the backbone of a nation. Believing in that, Free textbook and educational stationaries has been distributed to pre primary and primary students in mastul school. Honourable guests **OC of Hajaribag Police Station and Mr Anisul Kabir Jasir** handed the new books to the students. Kid's were excited with joy after receiving free text books and education goods on the first day of school.

It may be a simple school bag for us but for these mastul school children it is a power to keep them in school and show them a dream that they can have a better future. A Big thanks to **LIC Bangladesh** to support us, gift them school bags and make their school days interesting. You can be a part of these exciting activities by providing the school childrens' educational supplies

MASTUL Foundation has initiated a program called "40 Taka Tiffin Program" for providing nutritional food to the school kids. Mostly parents from needy families are not aware of nutritional food. They give money to their kids to buy puri or biscuits that is not good for their development. We get a lot of response for these kids from you. We always want you to be with us to take care these kids

Winter Distribution Programs

Where ensuring medical treatment is the biggest challenge, buying warm clothes becomes a burden for the poor patients of NITOR Hospital. Therefore, this harsh cold weather intensifies their plight to the next level, and they have to do nothing without shivering. Thanks to **VF Asia Sourcing Ltd** standing next to these helpless patients and distributed more than 100 blankets. You may give your Sadaqah to the poor patients who are admitted in Nitor hospital through **Mastulaid**.

For a day labour winter is not any luxury at all! He has to go to work just wearing a pair of thin clothes, resulting in unbearable suffering, flu, and diseases. Therefore, with the support of Centro Tex Limited **MASTUL Foundation** distributed warm clothes to the rickshaw pullers and day labors on the street of Dhaka city and several areas in Bangladesh. Thanks, Centro Tex Limited for this massive grade of support.

MASTUL Foundation has a long-term plan for people with special needs. But the initial target is helping them to get rid of the suffering from this harsh cold weather. Considering this **MASTUL Foundation** arranged a blanket distribution program at CRP, Savar. Through this program near about 150 disabled people and their families got free blankets from the MASTUL Foundation.
