

MASTUL FOUNDATION

MONTHLY BULLETINE

7th EDITION (MARCH)

IFTAR FOR ALL

Like the previous years, even this Ramadan **MASTUL Foundation** is providing free Iftar to the poor and needy. This year the target is to reach almost **1 lakh underprivileged people** including day labours, rickshaw pullers, hawkers, street people, and the overall underprivileged community.

From this consistency, **MASTUL** is distributing free Iftar packs from street to street to the poor and helpless people. The dedicated volunteers take their stand in the busiest areas of the city to reach the targeted beneficiaries with free Iftar packs.

From the first day of Ramadan, many poor and helpless people are getting the opportunity to take Iftar at **Mastul Mehmankhana**. This program will continue throughout the month of entire Ramadan.

Mastul Mehmankhana becomes a platform to express love and the spirit of holy Ramadan to everyone.

Like Dhaka city, the free **Iftar Distribution Program** by **MASTUL Foundation** is also carried out in different areas of Bangladesh.

They are reaching different slum areas, barren villages, and many other places with these Iftar packs.

FOOD FOR NEEDY

MASTUL Foundation is providing free food packages to the door to door of families with lower income grades. These packages mainly include all the necessary commodities like rice, lentil, oil, dates, potatoes, etc. Moreover, volunteers of MASTUL also distribute these free food packages from street to street and in several slum areas. And like Dhaka city, this program is also carried on in others areas of Bangladesh.

Like Dhaka City, the **Free Food pack Distribution Program** by **MASTUL Foundation** is also carried out in different areas of Bangladesh. Local partners of MASTUL and the dedicated volunteers are distributing free iftar to the underprivileged community.

They are reaching different slum areas, barren villages, and many other places with these food packs.

ZAKAT EMPOWERMENT PROJECT

MASTUL Foundation is rebuilding several damaged and uncompleted Mosques in different areas. Even under the Sadaka project, MASTUL is setting up tubewell in Rangpur, Sunamgangs and different areas to ensure fresh drinkable water.

Besides this, people with special needs are getting free wheelchairs that can reduce their plight and sufferings for a little bit. Moreover, MASTUL takes an initiative to make unemployed people self-reliant through the Zakat Empowerment project.

And already a massive number of people overcome the extreme poverty margin through this "**Zakat Empowerment project**".
