"This year, the children's family of Panchgarh could not collect any sacrificial animal and all the orphans were upset. Like every year this year MASTUL Foundation provided sacrificial animals to these orphans. I thank to the MASTUL Foundation on behalf of the Department of Social Services."

- Mohammad Kamrul Islam Chowdhury, Director (Joint Secretary), Ministry of Social Welfare

Amena a disabled lady from her birth, expresses her happiness by saying "Every Qurbani I always see some of my friends go home to home, collect meat but I can't go with my wheelchair, I feel sad. This year I was thinking I will not have a chance to have meat but thanks to MASTUL Foundation because of them this year I have Qurbani meat. "
