“There are 64 million children in Bangladesh, 50% grow up impoverished”

PROGRAM PURPOSE

Prophet Muhammad (PBUH) was an orphan and looked after orphans as Allah has commanded.

Prophet Muhammad (PBUH) said:

"I and the person who looks after an orphan and provides for him, will be in Paradise like this," putting his index and middle fingers together.

INTRODUCTION:

"MASTUL Madrasa and Orphanage Care" is where several Orphan, Semi Orphan Muslim children gain their essential knowledge of Islam – the basic beliefs of a Muslim, what it means to be a Muslim, how to perform wudu and prayer, how to recite the Qur'an, etc.

Within the past year, MASTUL Madrasa and Orphanage Care outreach has had the great fortune and honour of being able to start up 45 children's madrasahs within poor areas, especially in flood-affected areas of Bangladesh. These Madrasahs and Orphanage Care confirm the basic needs - food, clothes, shelter, education, health, security for impoverished children with an Islamic education, learning materials, uniforms and meals – all completely free of charge. The madrasahs also provided poor local qualified and reliable scholars with a scholarship and supported the local students' families with monthly food packs.

We believe that, with your donations and dua's, Allah grants us the opportunity to start up another 50 children who are going to stay in here and they all are from underprivileged communities. Support this project, seek the pleasure of Allah, and be a part of strengthening the faith of future generations through education. You can choose to sponsor meals, a single student's education, an entire class or even a whole madrasah/orphan care.

Our Mission:

Mainstreaming the Orphan, Semi Orphan and Street children in the national building by providing care, support, protection and through shelter, food, and education is our mission.
