

Nourishing Lives: MASTUL's Ongoing Mission to End Hunger

In January, MASTUL Foundation continued its "Food For All" initiative, ensuring that no needy person went hungry. Thousands of underprivileged individuals, including laborers, orphans, and the elderly, received fresh, nutritious meals daily. Through the 40 Tk Food Program, affordable and dignified meal solutions were provided to those struggling with hunger. Special meal distributions took place at shelter homes, orphanages, and public locations, spreading warmth and care. With the unwavering support of donors, MASTUL remains dedicated to building a hunger-free society, one meal at a time.

The Role of NRBs in Alleviating Poverty through Zakat

In January, MASTUL Foundation hosted a significant program focusing on the impact of Zakat in poverty alleviation. The event brought together experts, scholars, and community leaders to discuss how Non-Resident Bangladeshis (NRBs) can contribute to social welfare through Zakat.

A special moment of the event was dedicated to honoring the brave students injured during the July Uprising. Their resilience and sacrifices were recognized with deep appreciation. To support their recovery and empowerment, a portion of the Zakat fund was disbursed to assist with their medical expenses and future stability. This event highlighted the transformative power of Zakat in building a more equitable society and strengthening the community's commitment to social welfare.

10,000 kg Rice Distribution: Spreading Smiles Among the Needy

Continuing its mission to combat hunger, MASTUL Foundation successfully distributed 10,000 kg of rice to underprivileged families. This initiative aimed to provide food security to struggling households, ensuring that families had access to basic sustenance during difficult times.

The smiles and gratitude of the beneficiaries reaffirmed the foundation's commitment to serving humanity. The initiative was made possible through the generosity of our donors, whose support continues to bring hope to countless lives.
